Our Mission

Our mission is to REACH lost young adults, CONNECT them into God's family, GROW them in their faith, help them DISCOVER their gifts and abilities, so they can HONOR God with their lives.

Our Scripture

"But you are the ones chosen by God, chosen for the high calling of priestly work, chosen to be a holy people, God's instruments to do his work and speak out for him, to tell others of the night-and-day difference he made for you—from nothing to something, from rejected to accepted." 1 Peter 2:9-10 MSG

About Us

Re.thINC exists to develop college students and young professionals into leaders. We endeavor to challenge this generation to re.thinc God, re.thinc life, and re.thinc their Destiny. It's time for this generation to rise up and take the light of Christ into darkness. Our success is not measure not by the amount of people attending our events, but by the quality of leaders that are impacting the world around them.

Our Programs and Service Offerings

Destinations Event - Hip-Hop/Spoken Word bridge event geared toward those who will not come to a traditional church service.

INC - This is a life skills program intended to develop college and young professionals in all areas of life not usually addressed within a church service setting. The goal is to help young adults run their lives with the same excellence and proficiency as a well-managed corporation.

Community Service - There are quarterly community service projects to enhance the lives of those in need in our community

Small groups - These are intimate gatherings that allow young adults to grow and learn together. These are held both in homes of young adults and on college campuses.
